

# PROPORTIONS ET ÉVOLUTIONS

## EXERCICE 4

Sur un célèbre site de e-commerce, est affiché le produit suivant soldé.

The screenshot shows a product listing for a "Ordinateur portable" (laptop). The main image displays a sleek laptop with a vibrant blue and white abstract pattern on its screen. Above the image, the product name "Ordinateur portable" is followed by a small red Apple logo. Below the name are links to "Visiter la boutique" and "Retours GRATUITS". A rating of "4.8 ★★★★☆" with "47 évaluations" is shown, along with a link to "Rechercher sur cette page". A note indicates "Plus de 300 achetés au cours du mois dernier". The price is listed as "-15 % 1 099<sup>00</sup> €". Below the price, it says "Prix d'origine : [redacted]". A "Retours GRATUITS" link is present. A detailed description follows, mentioning VAT variations and delivery details. A green badge shows a "6,5" rating with "100% de satisfaction". The product is categorized as "En stock". A dropdown menu shows "Quantité : 1". Buttons for "Ajouter au panier" and "Acheter cet article" are visible. At the bottom, there are links for "Vendu par", "Assistance", "Paiement", "Support produit inclus", and "Transaction sécurisée". A "Voir plus" link is also present.

En utilisant les coefficients multiplicateurs, retrouver le prix d'origine.
